All 249 district representatives with a DPWH office; some sit partly behind the title, ranked by insertion candidates (House bill projects with no matching NEP line) under the DPWH office that serves their district: ₱63.97B in all; ₱97.66B more sits under Central Office and regional offices, in no district. Amounts belong to DPWH offices, not to representatives; the documents do not say who asked for any project. A shared office's amount appears whole on each district it serves, not split. Candidates are a document comparison, not evidence of wrongdoing. Party-list members and districts with no DPWH office are not shown. Photos: House of Representatives, public domain.
